

Synthetic CAISO Settlement Statement — Daggett Solar

CAISO-STMT-2026-0623-DAGGETT

SYNTHETIC SAMPLE FOR DEMONSTRATION ONLY

This document was generated for the VoltSentinel proof of concept. It is not a real contract, settlement statement, market notice, invoice, legal document, or operational instruction.

1. Settlement Statement Summary

Statement ID: CAISO-STMT-2026-0623-DAGGETT. Market: CAISO. Resource: DAGGETT_SOLAR_01. Settlement point: DAGGETT_6_N001.

This synthetic settlement statement summarizes interval settlement values and a potential revenue leakage item detected by VoltSentinel.

2. Settlement Line Items

Charge Code	Description	MWh	Rate / Price	Amount
MTR_ENERGY	Metered energy settlement quantity	20.3	\$31.22/MWh	\$633.77
CURT_SHORTFALL	Potential compensable curtailment shortfall	14.117	\$38.75/MWh	\$547.03
DISPUTE_HOLD	Amount pending commercial review	14.117	N/A	\$547.03

3. Reconciliation Notes

The CURT_SHORTFALL line is not an approved invoice adjustment. It represents a potential claim requiring contract review, data quality validation, and human approval.
